## DISCOVERING SYDNEY WITH JANET

### Getah and Welcome to Sydney!

With a passion for history, heritage and architecture I will take you on a journey to explore Sydney's Secrets, her amazing scenery and showcase the stunning sights.

Born on a cattle station at Lightning Ridge, I was educated in Sydney, worked in the Northern Territory as a Jillaroo as well as living on the opal fields at Lightning Ridge and then settled into Sydney in 1990.

My interests have always included fighting for the local environment - painting, creating amazing weddings and events (as a Marriage Celebrant) and enjoying outings with my children - still!!

## Testimonials

"I just wanted to let you know the tour yesterday was absolutely fabulous and totally exceeded my expectations!! I knew it was going to be great but it was so much more!!

We had such a ball - I actually felt like I was on an overseas holiday touring a city and taking in the history of the place - and yet it was Sydney!! Janet was amazing and did such a great job of conducting the tour and making it even more wonderful."

**Belinda.**

"The tour was fantastic and an excellent bonding time for our team. We relaxed and had fun together and even learnt about the history of coffee and chocolate in Australia! Janet the tour guide was so friendly and made the experience all the more enjoyable (and informative!) for the whole team. We ate and drank so much that we won't be able to face chocolate for a week!!"

**Kate, University of New South Wales.**

"I would like to thank you for the wonderful time we had at Sydney during the International Transplant Congress."

**Maria Koukoulaki, Evangelismos General Hospital of Athens**

"Thanks Janet for an enjoyable introduction to our Australian visit."

**Larry & Lyn Zuageman**

"We couldn't have asked for a better tour guide for our recent trip to Sydney. Knowledgeable, witty and fun, Janet worked well with young and old alike while keeping organised and unfazed when things inevitably didn't quite work to plan! I would recommend anyone planning a trip to Sydney to employ Janet's services. Thank you Janet!!!"
